1RU 19" Cable Management Rail | 12 Slot Deep

Product Images

Description

1RU 19" Cable Management Rail | 12 Slot Deep

This top-quality horizontal cable minder comes with 12 wiring slots, making it easy to manage your cables and keep them organized. The plastic cover can slide off or flip open and closed for easy access, allowing you to quickly make any necessary changes to your cable setup.

Designed to fit any standard EIA 19' server rack and cabinet, this 1RU cable management rail is the perfect addition to your server rack setup. And with its durable plastic construction, it is built to last.

The 1RU 19" Cable Management Rail with 12 Slot Deep comes with a plastic sliding cover and set of cage screws, making installation quick and easy. And with its compact dimensions, it won't take up too much space in your server rack.
